MADHYA PRADESH TOURISM BOARD

Government of Madhya Pradesh, Bhopal

AGENDA FOR THE MEETING

Subject:	Discussion on the proposed development of Narmada Cruise Circuit connecting Jabalpur (Bargi) and Kanha (Sarhi).
Date:	05 November 2026 (Thursday)
Time:	01:00 PM
Venue:	Madhya Pradesh Tourism Board, Bhopal
Project Proponent:	Shri Ashish Mahawar, Arthmitra Advisors LLP

Agenda Items

1. Presentation of the Project Proposal

Presentation by Shri Ashish Mahawar regarding the proposed integrated Narmada Cruise Circuit connecting MPT Maikal Resort, Bargi (Jabalpur), with MPT Jungle Resort, Sarhi (Kanha), through water and road connectivity.

2. Existing Infrastructure and Route Feasibility

Discussion on the existing tourism infrastructure at Bargi, including MPT Maikal Resort and Boat Club, along with examination of the WAPCOS feasibility study and the proposed cruise route from Bargi to Tintni via Payli.

3. Proposed Tourism Infrastructure Development

Deliberation on the proposed development/upgradation of MPT Maikal Resort, Payli Guest House, Tintni Jetty and MPT Jungle Resort, Sarhi, including cruise vessels, waterfront facilities and associated tourism amenities.

4. Government Support and Statutory Requirements

Discussion on the proposed leasing/utilisation of tourism properties, jetty infrastructure, navigation permissions and necessary coordination with concerned Government departments and competent authorities.

5. Investment and Project Implementation Framework

Discussion on the proposed investment, financial and operational model, responsibilities of the project proponent, and possible modalities for project development and implementation.

6. Further Course of Action

Deliberation on the submission of a Detailed Project Report (DPR), technical and financial assessments, required statutory approvals and further steps for consideration by the competent authority.

Purpose of the Meeting: To examine the proposed Narmada Cruise Circuit in the context of existing tourism infrastructure and available feasibility studies, assess the support and approvals sought by the project proponent, and obtain directions regarding the further course of action.
