Maikal–Sarhi Eco-Tourism Circuit

Project summary | Proposal requirements | Roles & responsibilities | Approvals | Next actions

1. Executive Summary

Arthmitra Advisors LLP proposes an integrated eco-tourism journey connecting MPT Maikal Resort at Bargi (Jabalpur) with MPT Jungle Resort at Sarhi (Kanha), combining reservoir cruising, a waterside stop at Payli, road transfer from Tintni, resort enhancement, wellness, culture and wildlife experiences. The concept emphasises solar-electric vessels, low-impact operations, local employment and visitor safety. The presentation is a concept/approval request, not an executed agreement or a detailed project report.

2. Proposal at a Glance

Proponent	Arthmitra Advisors LLP
Project locations	MPT Maikal Resort, Bargi; Payli Old Guest House / alternative nearby land; Tintni jetty; MPT Jungle Resort, Sarhi (Kanha)
Indicative circuit	Maikal → Payli: ~12 km / 40–50 min by water; Payli → Tintni: ~55 km / 3–3.5 hrs by water; Tintni → Sarhi: ~63 km / about 1.5 hrs by road
Indicative journey time	~5–6 hours plus stops, as stated in the deck
Vessel concept	Two proposed vessel categories: luxury yacht (up to 20 guests) and luxury river boat house (3 rooms); solar-electric/low-impact design intent
Current document status	Vision / concept presentation dated September 2026; commercial and contractual terms not supplied

3. Key Components / Requirements

- **Maikal Resort:** Lease access and proposed renovation/upgradation of guest rooms and cottages, lakefront dining, banquet, heritage/culture museum, wellness facilities and waterfront amenities.
- **Water transport:** Rights to use the Maikal jetty; procurement/design and certification of appropriate solar-electric vessels; charging infrastructure, mooring, navigation and shore operations.
- **Payli stopover:** Lease of Payli Old Guest House or suitable nearby land for restoration and operation as an intermediate guest facility.
- **Tintni landing & last-mile link:** Jetty access/lease and safe disembarkation; coordinated road transfer to Sarhi.
- **Sarhi Resort:** Lease and upgradation of existing resort; proposed eco-sensitive cottages/villas/tents, restaurant, wellness, sports and managed wildlife-related guest experiences.
- **Safety & sustainability:** Vessel survey and capacity certification, licensed crew, life jackets, rescue boat and drills, weather-based sailing restrictions, shore tracking and zero-discharge practices.
